

MATHS 415
Mathematics of Coding and Communication

- Section:** 001, 15:00-15:50 MWF, RB 449
- Instructor:** Kerry N. Jones (kerryj@math.bsu.edu)
- Office:** RB 473, 285-8667
- Office Hours:** MWF 2:00 p.m.(tentative)
- Website:** <http://www.cs.bsu.edu/homepages/kerryj/>
- Assignments:** Three written projects will be assigned during the semester. These will involve outside sources and will be presented to the class. Any computer-related portions of these projects may be done using any language or system approved in advance by the instructor. Some class time will be spent introducing the **J** programming language, which is freely-available and particularly well-suited for use in the projects.
- Text:** **None**
- Grade:**
- | | |
|----------------------------|----------|
| Presentation/Participation | 40% |
| Projects | 20% each |
- Attendance Policy:** I expect you to attend this class every period that it meets. You are responsible for missed material.
- Special Needs:** If you need course adaptations or accommodations because of a disability, if you have emergency medical information to share with me, or if you need special arrangements in case the building must be evacuated, please make an appointment with me soon.
- General Expectations:** Due to the technological nature of the course, laptops and tablets are certainly welcome during the lectures. However, you should be using those devices for course-related purposes, and mentally engaged in the material at hand.
